**RE: COMPUTER FORWARDING SYSTEM – CFS
CLERK REASSIGNMENT**

The parties agree that whenever the Postal Service decides to reassign CFS clerks from a CFS unit, the appropriate provisions of Article 12 of the collective bargaining agreement will apply, with the following additional provisions:

A. CFS Reassignments:

1. If a determination is made to reassign CFS Clerks out of a section, to other crafts, and/or installations, the Area will begin withholding residual vacancies or PTF vacancies, as appropriate, in the same and lower levels within an Area, as determined by management, up to the number of career impacted CFS employees. In addition, the Area will also begin withholding residual vacancies or PTF vacancies in higher levels in APWU represented crafts, as appropriate, up to the number of career impacted CFS employees.

2. For the purposes of this agreement, the Test 470 (Battery Exam) requirement is waived for CFS clerks for reassignments or bidding/opting. Employees opting for an assignment must meet the other minimum requirements of the duty assignment.

3. Veteran's preference eligible CFS employees will be given priority placement into same and higher level duty assignments and will not be reassigned to a lower level. If there is no same or higher level duty assignment(s) available, the veteran's preference eligible employee(s) will be bypassed and the next senior non-preference eligible employee will be excessed in lieu of the preference eligible.

4. Beginning with local notification that CFS employees will be excessed, if a non-preference eligible CFS employee opts or bids to a lower level duty assignment, he/she will receive saved grade protection in accordance with the following:

- a. Employees who receive saved grade under this MOU will not be required to bid or apply for vacancies in their former wage level for a period of two years from the time they occupy the lower level duty assignment.**
- b. After the two-year period, employees will be expected to bid or apply to former level duty assignments for which they are qualified or may become qualified by entering a scheme deferment period.**
- c. If no employee in the saved grade status bids or applies to the former level duty assignments, the junior employee(s) in the saved grade status will have their saved grade taken away.**
- d. An employee in saved grade status who bids or applies for a former wage level duty assignment**

and is declared the senior bidder but fails to qualify, will lose saved grade protection. No more than one employee in the saved grade status group will have saved grade taken away for each former level duty assignment posted.

B. CFS EMPLOYEE UPGRADE

The Postal Service and the APWU agree that all remaining PS-4 CFS clerks will be upgraded to PS-5 effective on November 13, 2004. Generally, the parties' promotion rules apply with respect to upgrades; however, the parties have agreed on a non-precedential basis that the November 13, 2004, CFS upgrade will be based on a step-to-step upgrade mechanism, including credit for waiting period time already served, for the purpose of implementing this upgrade.

This agreement is made for the specific circumstances described above and does not alter in any way any other provisions of the collective bargaining agreement. The parties agree that this understanding is without prejudice and will not be used in any forum other than to enforce the provisions within this document.

Re: Excessing

In recognition of the parties' efforts to respond to the need to reposition the workforce by jointly seeking an approach that is consistent with the principles of minimizing employee dislocation, consistent with the needs of the service, it is agreed that the Postal Service will petition the Office of Personnel Management (OPM) for the purpose of implementing Section 8336(d)(2) (voluntary early retirement - CSRS) and Section 8414 (b)(1)(B) (voluntary early retirement - FERS) of Title 5, United States Code for all eligible APWU represented employees, subject to the limitations imposed by OPM. The Postal Service will petition OPM no later than February 1, 2003 and the union will be provided a copy of the petition request.

The Postal Service will place a temporary moratorium on excessing and the reassignment of employees through May 15, 2003. The plan to consolidate installations will be provided to the union in December 2002. This moratorium will not apply to current or future excessings and reassignments, where the APWU and the affected employees receive notice in accordance with Article 12 of the 2000 National Agreement, provided that the impacted employees will be reassigned within the local commuting area of their installation (a 50 mile radius). If a need still exists to reassign employees after

termination of the moratorium, employees given notice of reassignment pursuant to Article 12 prior to the date of this agreement will be reassigned.

In light of the need to prepare for the possibility of employee reassignment, the parties agree that the Postal Service will immediately begin withholding all residual vacancies. The need for withholding these residual vacancies is provided by the consolidation plan and recognized pursuant to this memorandum.

Any disputes arising out of this memorandum will be handled in accordance with the Memorandum of Understanding Re: Administrative Disputes Resolution Procedures.

This memorandum expires for all purposes on November 20, 2005.

Re: Workforce Repositioning

Significant and continuing changes in technology, business practices, and the erosion of mail volume prompt the parties to join in the exploration of placement and reassignment strategies for the purpose of shifting the workforce to match changing workload demands.

To that end, the parties agree to the establishment of a joint task force to explore methods of repositioning the workforce in response to the changing business conditions. The joint task force is chartered to explore various methods of repositioning the workforce consistent with the principles of minimizing employee dislocation, maximizing customer service, and maintaining efficient operations. The parties agree that the following subjects will be included among those considered by the task force: compiling existing contractual provisions, arbitration awards, Step 4 agreements and mutually agreed to national level interpretations relative to excessing, utilizing higher level vacancies when placing impacted employees, and dealing with issues that arise when reassigning impacted preference eligible employees.

The task force is to begin its work immediately after the signing of this memorandum. Recommended changes

by the joint task force will be submitted to the APWU President and the USPS Vice President, Labor Relations no later than January 31, 2003.

This memorandum does not alter or amend existing contractual rights absent agreement by the parties at the national level. Disagreements over existing national level interpretations of the above-referenced topics will not be subject to arbitration.

This memorandum expires for all purposes, once the task force completes its charter as outlined in paragraph two above, or on November 20, 2005, whichever comes first.

**RE: EMPLOYEE DEVELOPMENTAL
OPPORTUNITIES**

The parties recognize that internal recruitment and development of current bargaining unit career employees for skilled positions is in the best interest of postal employees and the Postal Service. The parties agree to the establishment of a process and program to allow for development opportunities for placement of current APWU bargaining unit career employees in the Maintenance department.

In order to improve the opportunity for career APWU bargaining unit employees to qualify for and establish themselves on the appropriate in-craft and/or in-service register(s), the Postal Service will develop and implement a program in those locations where a need is identified. The program will include a process whereby APWU career employees will have an opportunity to express interest in entering a developmental program for future opportunities in the Maintenance Craft.

Once created and implemented, APWU bargaining unit career employees who express an interest will be given an opportunity to qualify for placement in the program and subsequent placement in a position in the Maintenance Craft. Placement into the Maintenance Craft will follow the provisions of Article 38 of the current APWU-USPS collective bargaining agreement.

If the initial placement resulting from successful completion of the training program is to an Electronic Technician (ET) duty assignment, upon placement into the craft duty assignment, employees will commit to a three year lock-in for that craft from the date placed in the assignment. The employees will not be able to request transfer, in-craft downgrade or bid to a non-skilled position during the lock-in period, but same position designation transfers and in-craft promotions in the installation are permitted. If an employee leaves before the end of the lock-in period, the employee will be responsible for reimbursing the Postal Service for all training costs.

As skilled Maintenance and Motor Vehicle craft positions are identified, developmental programs will be established where needed. Non-skilled employees already assigned to the craft for which the developmental training opportunity assignment is intended will have first priority to qualify for the available training.
