Dear Mr. Anderson:

On March 27, 1984, we met to discuss the above-captioned case at the fourth step of the contractual grievance procedure.

The question raised in this grievance involved an allegation that the grievant was denied prompt medical treatment.

After further review of this matter, we mutually agreed that no national interpretive issue is fairly presented in the particulars evidenced in this case. Whether or not the grievant received proper emergency treatment is purely a local dispute over the application of EL 806, Part 110, to the specific fact circumstances involved. Therefore, this case is suitable for regional determination.

Accordingly, as we further agreed, this case is hereby remanded to the parties at Step 3 for further processing, if necessary.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to remand this case.

Sincerely,

Thomas J. Lang
