Dear Mr. Wilson:

On May 11, 1984, we met to discuss the above-captioned cases at the fourth step of the contractual grievance procedure set forth in the National Agreement.

The question raised in these cases is whether the grievant's position should be reranked because she works with a WANG computer.

After further review of this matter, we mutually agreed that no National interpretive issue is fairly presented in the particulars evidenced in the cases. Whether the position is properly ranked can only be determined by evaluating the fact circumstances involved.

Accordingly, as we further agreed, the cases are hereby remanded to the parties at Step 3 for further processing, if necessary.

Please sign and return a copy of this letter as your acknowledgment of agreement to remand these cases.

Sincerely,

Margaret H. Oliver
