Dear Mr. Anderson:

On June 20, 1983, we met to discuss the above-captioned case at the fourth step of the contractual grievance procedure set forth in the 1981 National Agreement.

The question raised in this grievance involved reemployment of a former full-time regular employee under 546.212 of the Employee and Labor Relations Manual.

After further review of this matter, we mutually agreed that no national interpretive issue is fairly presented in the particulars evidenced in this case. We agreed that the pre-arbitration decision (copy enclosed) in case H8C-NA-C 50 sufficiently addressed the issue in this case. The employee in question was reemployed in accordance with the provisions of 546 of the ELM.

Please sign and return a copy of this letter as your acknowledgment of agreement to resolve this case.

Sincerely,

  
Thomas J. Lang  
Labor Relations Department
