Dear Mr. Baldwin:

On October 23, 1981, we met on the above-captioned case at the fourth step of the contractual grievance procedure set forth in the 1978 National Agreement.

The question raised in this grievance involves whether MPLSM clerks should bring mail in from strapping during relief for rotation.

After further review of this matter, we mutually agreed that no National interpretive issue is fairly presented in the particulars evidenced in this case.

Accordingly, as we further agreed, this case is hereby remanded to the parties at Step 3 for further processing if necessary.

Please sign a copy of this letter as your acknowledgment of agreement to remand this case.

Sincerely,

Margaret H. Oliver
