Dear Mr. Baldwin:

On February 23, 1982, you met with John R. Dubay for a pre-arbitration discussion of the above-referenced case.

The issue raised in this case involved whether or not management can require LSM Operators to clean out ZMT slush trays (Pans).

We did agree that, although the extraction of mail from the slush tray (Pan) is not a specific listed duty for MPLSM personnel, it is part of the overall MPLSM operation and the M-54 Handbook does not prohibit clerks from performing this duty.

It was mutually agreed to withdraw this case from the national pending arbitration listing without prejudice to the position of either party.

Please sign a copy of this letter as your acknowledgment of agreement to withdraw this case from pending arbitration.

Sincerely,

George S. McDougald
