This is to advise you of the intent of the San Diego District to utilize the provisions of Article 12.5.C.5 of the National Agreement to involuntarily reassign up to ten (10) full-time clerks from the craft and/or installation at the San Diego bid installation (Event 53515). This impact is based on baseline staffing reviews.

The impacted employees will be notified of their involuntary reassignments by separate letter.

By copy of this notice, we will withhold ten (10) full-time residual assignments in the clerk, carrier, mail handler, motor vehicle and/or custodial crafts in the sites within a 50 mile radius of the impacted bid cluster for placement of the impacted employees.

Attached you will find copies of the automated impact statement, the operational data that supports the excessing event, the list of sites at which withholding has been authorized and the names of the junior impacted employees.

Please include this impact on the agenda for our next meeting. If you have any questions you may contact me at (858) 674-3193 or Carmen Rodriguez, Area Complement Coordinator at (858) 674-2604.
