Dear Mr. Johnson:

On several occasions, the most recent being September 13, 1984, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The question raised in this grievance is whether management improperly transported a carrier member of a vanpool unit to the carrier's route.

During our discussion, it was mutually agreed that the following would represent a full settlement of this case:

Except in an emergency, a supervisor should not transport a member of a vanpool to his/her route.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case.

Time limits were extended by mutual consent.

Sincerely,

Leslie Bayliss / Labor Relations Department
