Dear Mr. Benner:

On January 7, 1980, we met on the above-captioned grievance at the fourth step of the contractual grievance procedure set forth in the 1978 National Agreement.

During our discussion, we mutually agreed that there is no interpretive dispute between the parties at the National Level as to the meaning and intent of Part 415.111 (DMM915-PSM166-Special Postal Bulletin 21203, 8-10-79) concerning when special delivery trips must begin. It is agreed that the 0600-0800 special delivery trip beginning time frame is a guideline which is to be normally followed. If this time frame is not followed, management must be able to demonstrate that unique fact circumstances exist which justify an earlier or later special delivery trip beginning time.

Accordingly, as further agreed, this case is hereby remanded to Step 3 for further processing by the parties at that level based upon the fact circumstances involved. Management will explain to the Union's Step 3 designee, the unique fact circumstances which are necessitating the later than 0800 special delivery trip beginning time. If unique fact circumstances do not justify the later than 0800 special delivery trip beginning time, management shall change the subject special delivery trip beginning time to conform with the agreed to interpretation of the above cited regulations.

Please sign a copy of this letter as your acknowledgment of agreement to remand this case.

Sincerely,

Daniel A. Kahn
