Dear Mr. Baldwin:

On March 17, 1981, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

We mutually agreed that there was no interpretive dispute between the parties at the National level as to the meaning and intent of Article XIX of the National Agreement as it relates to the issues in this grievance.

The grievance involves a local posting of an August 20, 1980 Disclosure and Release of Injury Compensation records and is one of application rather than interpretation. We agreed that consideration should be given to disposal of the four (4) specific items enumerated in the grievance as follows:

1. Provided for in Part 313.21, Employee and Labor Relations Manual.
2. Provided for in Part 352.511, Administrative Support Manual.
7. Provided for in Part 352.52, Administrative Support Manual. The Union's request is provided for in Part 353.325 and 353.326, Administrative Support Manual.
11. Should be consolidated with Item #9 per Part 353.324 f, Administrative Support Manual and Part 313.61 f, Employee and Labor Relations Manual.

deleted.

Accordingly, as further agreed, this case is hereby remanded back to Step 3 for further processing by the parties at that level. The parties at Step 3 may wish to remand to Step 2 for application of the references contained herein.

Please sign the attached copy of this decision as your acknowledgment of agreement to remand this case.

Sincerely,

*Howard R. Carter*
