Dear Mr. Tunstall:

On several occasions, the most recent being July 28, 1986, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether management violated the National Agreement by requiring employees to train on manual schemes only after tour.

During our discussion, it was mutually agreed that the following constitutes full settlement of this grievance:

Senior bidders who elect training hours out-of-schedule have the option to train only on scheduled workdays either immediately before or immediately after regular work hours.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case.

Mr. Robert L. Tunstall

Time limits were extended by mutual consent.
