Dear Mr. Wilson:

On January 24, 1984, we met to discuss the above-captioned cases at the fourth step of the contractual grievance procedure.

The question raised in this grievance involved allied duties of MPLSM ledge/loaders.

The parties at the national level agree that the subject duties are consistent with Part 452.2 of the M-54 Handbook. Therefore, these cases are suitable for regional arbitration.

Accordingly, as we further agreed, these cases are hereby remanded to the parties at Step 3 for further processing, if necessary.

Please sign and return the enclosed copy of this decision as acknowledgment of our agreement to remand these cases.

Sincerely,

  
Thomas J. Lang
