Dear Mr. Anderson:

Recently, you met with Frank Dyer in ~~pre-arbitration~~
discussion of H8C-4H-C 16085 and H8C-5K-C 13970. The
question in these grievances involves the alleged unsafe
practice of clearing dropper jams on MPLSM's.

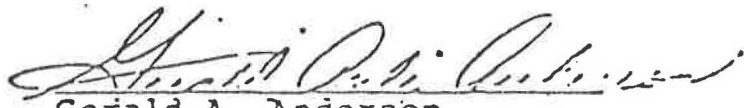

It was mutually agreed to full settlement of these cases as
follows:

The Postal Service is currently placing into
effect a modification of the dropper jams.
This modification will satisfy the dispute of
these grievances.

Please sign a copy of the attached letter indicating your
agreement with this settlement, withdrawing H8C-4H-C 16085
and H8C-5K-C 13970 from the pending national arbitration
listing.

Sincerely,

William E. Henry
