Dear Mr. Johnson:

On December 28, 1976, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

This grievance is settled in accordance with the M-54 Handbook, Section 430, "After approximately two hours, operators will be given a 15-minute break." The 15-minute break is given for the approximately two hours time spent on the letter sorting machine.

The M-54 does not specify the nature of the activity following the break period. Therefore, regardless of the activity schedule to follow a break period, machine operators are entitled to a 15 minute break after approximately 2 hours of machine operation.

This settlement is without precedent and without prejudice to the position of either party, it may not be cited by either party in any future grievance, hearing, arbitration or for any other purpose.

Please sign the attached copy of this letter as your acknowledgement of the agreed to settlement.

Sincerely,

Michael J. Harrison
