Dear Mr. Wilson:

On July 26, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

We mutually agreed that, from our review of the position descriptions of the PS-5 and PS-6, Flat-Sorting Machine (FSM) operators, both may be assigned to perform manual distribution, not limited to flats, as required. In accordance with the M-5 Handbook, manual distribution may be accomplished by the use of various schemes. The fact that an FSM operator may be assigned a manual scheme does not entitle the employee to the higher level.

Please sign and return the enclosed copy of this decision as an acknowledgment of agreement to resolve this grievance.

Sincerely,

Robert L. Eugene
