Dear Mr. Wilson:

On January 26, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

The issue in this grievance is whether the grievant was properly sent for retraining on the MPLSM.

After further review of the matter, we mutually agreed that there was no national interpretive issue fairly presented as to the meaning and intent of Articles 19 and 37 of the National Agreement.

The determination of whether the grievant was properly sent to retraining is a fact determination to be made by application of the provisions of the M-16 EDIT Handbook to the grievant's individual performance on the MPLSM.

Accordingly, as we further agreed, this case is hereby remanded to Step 3 for further development and consideration if necessary by the parties.

Please sign and return the enclosed copy of this decision as acknowledgment of agreement to remand this grievance.

Mr. Kenneth D. Wilson
