Re: T. Hodges  
Boise, ID 83707  
HLC-5L-C 9391

Dear Mr. Wilson:

On March 28, 1983, we met to discuss the above-captioned case at the fourth step of the contractual grievance procedure set forth in the 1981 National Agreement.

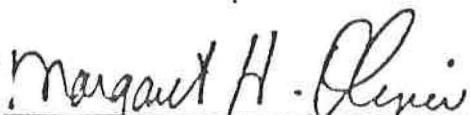

The question raised in this grievance involved whether local management is improperly utilizing clerk craft employees to verify mail against machine EDITS.

After further review of this matter, we mutually agreed that no national interpretive issue is fairly presented in the particulars evidenced in this case. Whether the procedures set forth in Handbook M-16 are being improperly followed at the Boise office is not a national interpretive question.

Accordingly, as we further agreed, this case is hereby remanded to the parties at Step 3 for further processing if necessary.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to remand this case.

Sincerely,

  
Margaret H. Oliver  
Labor Relations Department

Dear Mr. Wilson:

On several occasions, the latest being December 13, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether management is proper in posting ZIP Data Log Sheets annotated with the operator's names.

After further review of this matter, we agreed that there was no national interpretive issue fairly presented as to the meaning and intent of Article 19 of the National Agreement.

The parties at this level have determined that this practice has been discontinued. This case is to be remanded to the local level for further discussion and resolution.

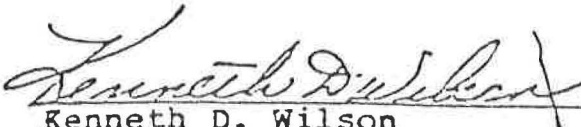

Accordingly, we agreed to remand this case to Step 2 for further consideration by the parties.

Please sign and return the enclosed copy of this decision as acknowledgment of our agreement to remand this grievance.

Time limits were extended by mutual consent.

Sincerely,

  
A. J. Johnson
