Dear Mr. Wilson:

On September 6, 1984, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

This grievance involves whether Level 3 Mail Processors are being improperly utilized at the Jacksonville facility.

During our discussion, we agreed to settle this case based on our understanding that during temporary periods when work on the automation equipment is not available, Level 3 Mail Processors may be utilized consistent with the provisions of Article 7. In addition, Article 25 permits the assignment of these employees to perform higher level duties for which they are qualified.

Please sign and return the enclosed copy of this decision as your acknowledgment of agreement to settle this case.

Sincerely,

Margaret H. Oliver
