Re: H1C-NA-C 73

Dear Mr. Neill:

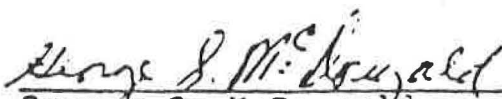

On February 10, 1987, David Cybulski met with Thomas A. Neill in prearbitration discussion of the above-captioned case.

The issue in this case is whether the position, Extract Code Clerk, was given an appropriate grade level.

During the discussion, it was agreed that in full and final settlement of this case, the position, Extract Code Clerk, will be graded at level PS-5. Incumbents in the position will maintain their current seniority level, but will not receive back pay or other retroactive benefits as a consequence of this settlement.

Please sign and return this letter as acknowledgment of our agreement to the above settlement.

Sincerely,

Dear Mr. Anderson:

On August 18, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

We mutually agreed that there was nothing interpretive about this grievance.

The parties at the lower level must determine whether the Mos-Secane Branch Office qualifies for a level 6 Window Technician or Finance Clerk position (ref: Memorandum of Understanding between the United States Postal Service and the American Postal Workers Union, AFL-CIO, Clerk Craft - Article 156 N.A.).

Accordingly, this grievance is remanded to Step 3 for further processing.

Please sign and return the enclosed copy of this decision as acknowledgment of agreement to remand this case.

Sincerely,
