Dear Mr. Guffey:

On March 25, 1988, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether a light duty employee is entitled to higher level pay when performing higher level duties in a light duty assignment.

After reviewing this matter, we mutually agreed that no national interpretive issue is fairly presented in this case. We agreed that it is necessary to determine whether the grievant performed duties which would qualify for higher level pay. This determination is to be made based on the specific work performed by the grievant.

This case is remanded for application of Article 25, which provides higher level pay for higher level work.

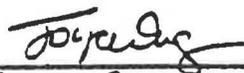

Accordingly, we agreed to remand this case to the parties at Step 3 for further processing, including arbitration if necessary.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to remand this case.

Mr. Cliff J. Guffey

Time limits were extended by mutual consent.

Sincerely,

Joyce Ong
