AC-NAT-4561
APWU #4561

Dear Mr. Andrews:

On October 7, 1976, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The Union asserts that management in the Minneapolis Post Office violated the provision of Article 22 of the National Agreement when they removed a notice entitled "A Postal Mess" from the Union bulletin board.

After reviewing the contents of the notice in question, it is the position of the U. S. Postal Service that the notice is not a suitable item to be posted on a Union's bulletin board pursuant to the provision of Article 22 of the National Agreement. Therefore, the grievance is denied.
