Dear Mr. Morgen:

On December 22, 1983, we met to discuss the above-captioned case at the fourth step of the contractual grievance procedure.

The question raised in this grievance involves whether management properly issued the grievant a Letter of Demand.

After further review of this matter, we mutually agreed that no national interpretive issue is fairly presented in the particulars evidenced in this case. Whether the grievant was properly issued a Letter of Demand for accepting a bad check can only be determined by application of Article 28 and Part 338.3 of the F-1 Handbook to the specific fact circumstances involved. Therefore, this case is suitable for regional determination.

Accordingly, as we further agreed, this case is hereby remanded to the parties at Step 3 for further processing, if necessary.

Please sign and return a copy of this letter as your acknowledgment of agreement to remand this case.

The time limits were extended by mutual consent.

Sincerely,

  
Thomas J. Lang
