Dear Mr. Wilson:

On April 27, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The question raised in this case involves the use of individually assigned short system disks in computer forwarding units.

During our discussion, we agreed that the May 26, 1982, instructions on the subject is applicable in this case. Whether or not those instructions are being followed is not a national interpretive question.

We further agreed to remand the case to the parties at Step 3 for further processing, if necessary.

Please sign and return the enclosed copy of this decision as your acknowledgment of agreement to remand this case.

Sincerely,

Margaret H. Oliver
