Dear Mr. Wilson:

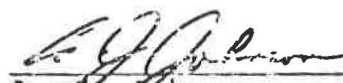

On September 23, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

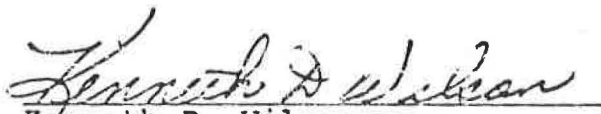

The question in this grievance is whether the local office has instituted a new work or time standard.

During our discussion, it was mutually agreed to close this case based upon the following understanding. The disputed program is purely a local management tool. It is not a work or time standard, and it will not be used as a basis for discipline.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to close this case.

Sincerely,

A. J. Johnson
