Dear Mr. Wilson:

On November 17, 1981, you met with Frank Dyer in pre-arbitration discussion of H8C-5D-C-8994. After a thorough discussion of the issue it was agreed that the following would represent full settlement of the case.

1. Management may continue to use the system as outlined in this grievance.
2. This system is to be used as a management tool; and may not be used as a basis for discipline.

Please sign the attached copy of this letter acknowledging your agreement with this settlement, withdrawing H8C-5D-C-8994 from the pending national arbitration listing.

Sincerely,

 ELC-3P-C 20882

Dear Mr. Wilson:

On July 26, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

We found no interpretive issue present in this dispute. The completion of an After Period Cost Study data sheet, as described in this grievance, is not a work and/or time standards system cognizable under Article 34.

Accordingly, as further agreed, this case is hereby remanded to Step 3 for further processing, if required by the parties at that level.

Please sign the enclosed copy of this decision as your acknowledgment of agreement to remand this case.

Sincerely,

  
 Robert E. Eugene
