Re: Class Action

Dear Mr. Tunstall:

On December 16, 1987, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether the grievants who were part-time regulars, were improperly denied their requests to change to part-time flexible clerks.

After reviewing this matter, we mutually agreed that no national interpretive issue is fairly presented in this case. We further agreed this was a local issue suitable for regional determination based upon application of the Transfer Memorandum located on pages 184-187 and Article 37.2.E.4 of the 1984 National Agreement to the specific fact circumstances.

Accordingly, we agreed to remand this case to the parties at Step 3 for further processing including arbitration if necessary.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to remand this case.

Time limits were extended by mutual consent.

Sincerely,

Samuel M. Pulcrano
