 SECTION 3(A)  
 SUBJECT  
 DATA COLL  
 RELIEF

Re: Local  
 Tacoma, WA 98413  
 H4C-5R-C 36599

Dear Mr. Tunstall:

On August 13, 1987, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

- The issues in this grievance are whether (1) part-time PSDS relief Data Collection employees work less than 50% in that capacity, and (2) whether these positions were properly posted.

After reviewing this matter, we mutually agreed that no national interpretive issue is fairly presented in this case. This is a local dispute suitable for regional determination by application of Section 233.4 of the Employee & Labor Relations Manual to the fact circumstances. Once that determination has been made the second issue may be determined by application of Article 37, Section 3(A) of the National Agreement to the involved fact circumstances.

Accordingly, we agreed to remand this case to the parties at Step 3 for further processing, including arbitration if necessary.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to remand this case.

Sincerely,

*Eileen Chilek*

We mutually agreed to resolve the issue in this grievance with the following statement:

Please sign and return the enclosed copy of this decision as acknowledgment of agreement to resolve this case.
