Dear Mr. Tunstall:

On February 11, 1987, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether an employee was detailed to a supervisory position in excess of four months.

After reviewing this matter, we mutually agreed that no national interpretive issue is fairly presented in this case. We agreed that a determination in this matter can only be made based on the local fact circumstances.

Accordingly, we agreed to remand this case to the parties at Step 3 for further processing including arbitration if necessary. A review of EL-202, Initial Level Supervisory Positions, should be made in further processing.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to remand this case.

Mr. Robert L. Tunstall
