SECTION	3F2
SUBJECT	
PLACEMENT IN DECEMBER	

Re: E. Adler
Fort Lauderdale, FL 33310
H1C-3W-C 18397

Dear Mr. Wilson

On May 16, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented as well as the applicable contractual provisions have been reviewed and given careful consideration.

The question in this grievance is whether or not management violated the 1981 National Agreement by placing employees in new assignments during the month of December 1982.

After reviewing the information in the file, we find no violation of the National Agreement.

Article 37, Section F, does not preclude management from placing employees in new assignments during December, if it is reasonable and economically feasible to do so.

Accordingly, as we find no violation of the National Agreement, this grievance is denied.

Sincerely,

Robert L. Eugene
Labor Relations Department
