Dear Mr. Wilson:

On April 21, 1981, we met with your representative to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented as well as the applicable contractual provisions have been reviewed and given careful consideration.

It is our position that an employee who is learning a scheme during one deferred period is not entitled to a second deferred period when awarded a second bid that requires the same scheme knowledge.

Accordingly, this grievance is denied.

Sincerely,

Margaret H. Oliver
