Dear Mr. Wilson:

On June 28, 1988, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether management followed proper procedure in conducting the Window Clerk Examination.

During our discussion, it was mutually agreed that the subject grievance is settle based on the following understanding:

The Stamp Stock Count conducted during Window Clerk training will be counted prior to giving the Qualifying Examination in accordance with Handbook TD-107A, Administrator's Guide.

Please sign and return the enclosed copy of this decision as your acknowledgment of agreement to settle this case.

Time limits were extended by mutual consent.

Sincerely,
