Dear Mr. Morgen:

On November 9, 1984, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The question in this grievance is whether the employee should be held accountable for a \$184.27 shortage in his flexible credit. The union is asserting that the shortage is due to inadequate training of the grievant.

Pursuant to the enclosed request, we mutually agree to remand this case to Step 3.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to remand this case.

The time limits were extended by mutual consent.

Sincerely,

Daniel A. Kahn
