Re: APWU - Local
Seattle BMC, WA 98003
H4T-5D-C 92

Dear Mr. Wevodau:

On May 16, 1985, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether the two grievants, who were sent to OPTO and successfully completed Electronic Technician training, must be promoted to Electronic Technicians, PS-8 even though no level 8 vacancies exist in the Seattle BMC. The grievants were sent for training so they could serve as ET-9 "backups" in emergency situations.

During our discussion, it was mutually agreed that the following would represent a full settlement of this case:

Based upon Maintenance Bulletin MMO-82-84 (05/03/84) and Regional Instructions, filing number 637 (04/06/78), the two subject grievants will be promoted to Electronic Technicians, PS-8. The promotions will be retroactive to December 8, 1984.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case.

Sincerely,

Carolyn M. Webb
