Re: Class Action

Dear Mr. Wevodau:

On September 27, 1983, we met to discuss the above-captioned case at the fourth step of the contractual grievance procedure set forth in the National Agreement.

The question raised in this case involved the procedure followed in filling Enginemen vacancies at the Jackson Post Office.

During our discussion, we agreed that only maintenance craft employees are eligible for placement on Promotion Eligibility Registers as stated in the Step 3 decision. We also agreed to close the case since further action would not change the selection results for the positions involved.

Please sign and return the enclosed copy of this decision as your acknowledgment of agreement to close this case.

Sincerely,

Margaret H. Oliver
