ARTICLE	37
SECTION	4A3
SUBJECT	Sup. Mgmt. Decision
	ERROR CAUSE

Re: T. Adkins
Columbus, OH 43216
E1C-4F-C 19759

Dear Mr. Wilson:

On November 10, 1983, we met to discuss the above-captioned case at the fourth step of our contractual grievance procedure.

The question raised in this grievance is whether an error found during an EDIT Operator test was properly explained to the grievant.

During our discussion, we agreed that the provisions of Article 37.4.A.3 apply in this case. Specifically, it is our mutual understanding that one of the conditions which must be met in order for an EDIT test to become a part of an employee's Individual Performance Record is that the supervisor must be able to relate the machine-printed record to the operator and identify, where possible, the error causes.

Accordingly, we agreed to remand the case to Step 3 for application of the above.

Please sign and return the enclosed copy of this decision as your acknowledgment of agreement to remand this case.

Sincerely,

Margaret H. Oliver

Re: Class Action

Dear Mr. Wilson:

On May 11, 1984, we met to discuss the above-captioned case at the fourth step of the contractual grievance procedure set forth in the National Agreement.

The question raised in this grievance involved the placement of portable radios on LSM consoles.

After further review of this matter, we mutually agreed that no National interpretive issue is fairly presented in the particulars evidenced in this case. We agreed that the policy set forth in Postal Bulletin 21397, dated March 31, 1983, applies in this case.

Accordingly, as we further agreed, this case is hereby remanded to the parties at Step 3 for further processing, if necessary.

Please sign a copy of this letter as your acknowledgment of agreement to remand this case.

Sincerely,

Margaret H. Oliver
