Congratulations!

You may now be eligible for health insurance in the Federal Employees Health Benefit Program (FEHB).

Upon your eligibility you will have various options available to you.

However, most of you will find that the APWU Health Insurance Plan is the best choice!
The APWU Consumer Driven Health Plan offers PSEs important health care benefits.

In an effort to make the health insurance affordable through negotiations the APWU was able to persuade the USPS to pay 72% of the total premium when you select the Consumer Driven Plan. For all other FEHB plans, the PSEs will have to pay 100% of the premium.
ELIGIBILITY REQUIREMENTS

Office of Personnel Management (OPM) requires that PSEs must:

- Complete one full year (365 calendar days) of continuous employment with no breaks in service of more than 5-days.

- Maintain sufficient earnings each pay period to cover the cost of premiums after all of mandatory deductions.

ELIGIBILITY NOTIFICATION

- After an initial appointment of a 360-day term and upon reappointment any eligible PSE may participate in the FEHB.

- When you are eligible to enroll in the FEHB, you should be sent a letter from the Postal Service containing important enrollment information.
ENROLLING

Once eligible, PSEs should immediately apply for health insurance. You must sign up within **60-days** from when you first become eligible at the conclusion of your initial 360-day appointment and upon reappointment to another 360-day term. Failure to do so will result in your only being apply during Open Season or with a Qualifying-Life Event (QLE).

You may enroll in various ways:
- Fax
- LiteBlue
- US Mail

At this time, some PSEs cannot enroll online.
CONTACTING SHARED SERVICES

Be sure you document the date/time, and get a confirmation number when you call Shared Services, or a fax confirmation when faxing, and/or utilize Return Receipt when contacting via US Mail.

How to Use PostalEASE to Manage Your FEHB Enrollment

The PostalEASE telephone system and web sites provide a convenient, confidential, and secure way for you to newly enroll, change your current enrollment, or cancel your enrollment in the Federal Employees Health Benefits (FEHB) Program. If you have access to PostalEASE via the Internet (https://WebLife.usps.gov), at an Employee Self-Service Kiosk available in some facilities, or on the Postal Service Internet (from the Blue page), using either of these may be easier than using the telephone.

NOTE: Use your USPS Employee ID number (EIN) and USPS Self-Service Password (SSP) to access the Blue and PostalEASE via the web. Use your USPS EIN and current 4-digit USPS PIN to conduct self-service transactions on the telephone using PIN. If you don’t know your USPS Self-Service Password or USPS PIN, you can reset them using the Self-Service Profile Application at www.usps.gov or via links provided on Blue and on the Blue login page.

Through PostalEASE you may:

- Make a change to your current enrollment during FEHB Open Season.
- Make an election as a new employee within 60 days of your date of hire.
- Update your dependents’ information for your Self and Family enrollment — although if you are not making a change in your enrollment at the same time, you must also contact your health plan carrier directly with this information. PostalEASE will not forward dependent change information to the insurance carrier if an enrollment transaction has not occurred.

Qualifying Life Event (QUE)

You cannot use PostalEASE to newly enroll, to change your enrollment, or to cancel or reduce your coverage due to a qualifying life event (QUE). You must contact the Human Resources Shared Service Center (HRSSC) to assist you with these actions.

Preparing for PostalEASE FEHB Enrollment

1. Read the Privacy Act Statement on page 5.
3. Have the following information ready before using PostalEASE
   a. Your Employee ID Number (EIN), which is printed at the top of your earnings statement. Enter all 8 digits, even if the first number is a zero.
   b. Your USPS Self-Service Password (SSP). If you have forgotten your SSP, you can log on with your SSP Credentials and answer two security questions to get started. In order to reset your password via the Internet (https://WebLife.usps.gov), click the Forget Your Password? option. You have 20 attempts to set up your password in the Self Service Profile Application at https://WebLife.usps.gov. You may also request your password reset at the Employee Self-Service Kiosk (available at some facilities), or on the Blue page via the Human Resources website.
   c. If accessing PostalEASE using the Employee Self-Service Line (1-877-477-3737; option 1) have the following information ready: your Employee ID Number (EIN), which is printed at the top of your earnings statement. Enter all 8 digits, even if the first number is a zero, and your USPS PIN. You can reset a forgotten SSP by logging into the Self Service Profile Application using the URL https://WebLife.usps.gov and following the prompts or by contacting the HRSSC at 1-877-477-3737. Enter your SSP and when prompted for your PIN, press 3. Your USPS PIN will be mailed to your address of record.
   d. Your daytime phone number.
   e. The name of the health benefits plan in which you are enrolling.
   f. The enrollment code of the health benefits plan in which you are enrolling. For the name and enrollment code, refer to https://WebLife.usps.gov/openenrollment where you will find links to premiums and plan brochures.
   g. The names, Social Security Numbers, addresses, dates of birth, e-mail addresses and telephone numbers for all eligible family members that will be covered under your health benefits enrollment. You will also need telephone numbers, email and mailing addresses for eligible family members who don’t live with you. For more information on family member eligibility, go to https://WebLife.usps.gov/fehb where you will find the FEHB Program Guide.
   h. The name and policy number of any other group insurance you are enrolled in as well as any eligible family members may have (including TRICARE, Medicare, etc.).
   i. If you are changing plans or cancelling coverage, the enrollment code of the health benefits plan in which you are currently enrolled — that is, the plan that you will not have after your change takes effect. The enrollment code for your current plan is based on your January earnings statement. It is the three-character code that follows the letters ‘HP’ or ‘HT’. For example, the Blue Cross Self and Family Standard plan will be shown as ‘HPSL’ or ‘HTOSM’ and you will enter the code 759 in PostalEASE. You may also refer to health plan brochures on your USPS Health Insurance website or call your plan for more information.
4. Complete the worksheet on the following pages, using the information you prepared above.

If you lose coverage for nonpayment of premiums, you cannot renew your enrollment until the next Open Season.

Members in this plan are given a PCA, which is an allowed amount used to pay for all medical costs at 100% until exhausted.
PCA COVERAGE

Provides 100% coverage for annual medical expenses up to:

- $1,200 (Self Only)
- $2,400 (Self Plus One & Self and Family)

PCA ELIGIBLE EXPENSES

2. **Extra PCA Expenses:** This includes dental and/or vision services and are reimbursable out of your PCA. Note that these expenses must be paid up front by you.
WHAT IS AN ALLOWED AMOUNT?

ALLOWED AMOUNT IS THE AMOUNT OF COVERED SERVICES THAT THE PLAN PAYS FOR.

If an out-of-network provider charges more than the allowed amount, you may have to pay the difference, if PCA is exhausted.

For example: If an out-of-network hospital charges $1,500 for an overnight stay and the allowed amount is $1,000, you may have to pay the $500 difference. (This is called balance billing).
PCA ROLLOVER

As long as you remain in the APWU Consumer Driven Plan, any unused remaining balance in your PCA at the end of the calendar year may be rolled over to subsequent years.

Maximum amount allowed in your PCA in any given year are:

- $5,000 (Self Only )
- $10,000 (Self Plus One & Self and Family)

You must pay all the costs up to the deductible amount prior to the plan paying covered services.

Once the deductible has been satisfied, the Health Plan will pay 85% of all in-network covered medical expenses. You will be responsible for the remaining 15%.
WHAT IS A DEDUCTIBLE?

A deductible is the amount you must pay if you have exhausted your Personal Care Account before Traditional Health Coverage begins.

There are no co-payments under the Consumer Driven Option. You pay for covered health care usually when you receive the service.
ONCE THE DEDUCTIBLE IS MET

WHAT IS CO-INSURANCE?

Co-insurance is your share of the costs of a covered service which is calculated as a percentage of the allowed amount for the service, after PCA is exhausted and deductible is met.

For example: If the plan’s allowed amount for an overnight stay in the hospital stay is $1,000, your co-insurance payment of 15% would be $150.
CATASTROPHIC OUT-OF-POCKET

Catastrophic out-of-pocket maximum is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services.

This limit helps you plan for health care expenses.

In Network:
- $6,500  Self Only
- $13,000  Self Plus One & Self and Family

- $24,000  Self Plus One & Self and Family

Once these limits are reached, your annual health care costs are to be paid at 100% by the APWU Health Plan.

As a member of the Consumer Driven Option Plan you can use your PCA to be reimbursed for covered dental and vision expenses. You pay for dental and vision services at the time of service.
