Dear Mr. Wevodau:

On August 19, 1976, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

Based on the information contained in this grievance file, we find that the vacant maintenance craft positions set forth in this grievance should be posted or reverted and the details of employees from other crafts into those positions should be terminated.

Therefore, we conclude that this grievance is sustained.

Sincerely,

  
Michael J. Harrison  
Labor Relations Department
