Dear Mr. Wevodau:

On June 2, 1987, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether maintenance craft employees, on the PER for ET level 8 positions, and who successfully complete training should have greater seniority than those employees who were initially hired as ET-level 8.

During our discussion, we mutually agreed that seniority should be determined by the date on the PS Form 50 assigning the employees to level 8.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case.

Time limits were extended by mutual consent.

Sincerely,

Andre B. Buchanan
