Re: APWU Local
Linesville, PA
AC-E-23928/E3-ALL-2194
APWU 23928

Dear Mr. Wilson:

On August 29, 1978, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

Our review discloses that the Linesville Office uses a PTF clerk from the Adamsville Office. This interchange of employees does not violate the National Agreement.

In view of the above, this grievance is denied.

However, in the interest of harmonious Labor-Management relations, it would appear reasonable to employ the people from the home office to their fullest capacity and when possible be assigned the preferred work hours. The borrowed employee should be used to supplement the local work force when the workload requires additional people.

Sincerely,

Harry Lumadue
Labor Relations Department
