Dear Mr. Burrus:

On March 9, 1990, we met to discuss the above-captioned case at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether PTF employees may be assigned across craft lines without satisfying the limitations of Article 7.2 of the National Agreement.

During our discussion, we mutually agreed that the assignment of PTF employees across craft lines is controlled by the express language of Article 7.2 of the National Agreement as interpreted by national level arbitrators. We further agreed to fully and finally settle this grievance and close the case on this basis.

Please sign and return the enclosed copy of this letter indicating that the APWU concurs with his interpretation and as your acknowledgment of agreement to close this case.

Time limits were extended by mutual consent.

Sincerely,

Arthur Wilkinson
