SUBJECT	OPERATION 180

Re: Class Action  
St. Petersburg, FL 33730  
H1C-3W-C 44683

Dear Mr. Anderson:

On March 27, 1985, we met to discuss the above-captioned case at the fourth step of the contractual grievance procedure set forth in the 1981 National Agreement.

The question raised in this grievance involved whether management properly assigned duties in operation 180 to the mail handler craft at the St. Petersburg office.

After further review of this matter, we agreed that no national interpretive issue is fairly presented as to the meaning and intent of RI 399 of the National Agreement. This case is remanded to determine whether the duties in operation 180 were properly assigned to the mail handler craft. In resolving this issue the parties are to be guided by the provisions of the Step 1 settlement.

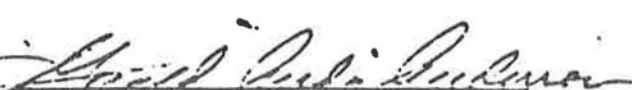

Accordingly, as we further agreed, this case is hereby remanded to the parties at Step 3 for further processing if necessary.

Please sign and return a copy of this letter as your acknowledgment of agreement to remand this case.

Time limits were extended by mutual consent.

Sincerely,

  
Brenda K. Butler
