Dear Mr. Anderson:

On February 16, 1982, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

We mutually agreed that there was no interpretive dispute between the parties at the National level as to the meaning and intent of Article 7 of the National Agreement as it relates to VOMA assignment.

Although the employee in this position may be required to participate in mail processing operations (regardless of his craft), his primary duty should be to perform vehicle operations and maintenance functions. Proper performance of the VOMA assignment should leave minimal time on a regular basis to perform other duties.

Accordingly, as further agreed, this case is hereby remanded back to Step 3 for further processing based upon the fact circumstances existant at the local level.
