Re: Class Action

Dear Mr. Guffey:

On March 25, 1988, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether a VOMA, who is a carrier, may perform clerk craft work.

After reviewing this matter, we mutually agreed that no national interpretive issue is fairly presented in this case.

Accordingly, we agreed to remand this case to the parties at Step 3 for further processing and consideration of the standard position description for a Vehicle Operations Maintenance Assistant, including arbitration if necessary.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to remand this case.

Time limits were extended by mutual consent.

Sincerely,

Joyce Ong
