Dear Mr. Adams:

On October 12, 1982, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

This grievance involved the scheduling of part-time flexible employees within a ten-hour period.

It is the position of the Postal Service that a violation did not occur, as there is no requirement to schedule part-time flexible employees as requested in the case file.

Accordingly, the grievance is denied.

Sincerely,

Margaret H. Oliver  
Labor Relations Department
