Dear Mr. Adams:

On August 8, 1983, we met to discuss the above-captioned case at the fourth step of the contractual grievance procedure set forth in the National Agreement.

The question raised in this grievance involved entitlement to overtime pay for time spent obtaining a medical clearance.

After further review of this matter, we mutually agreed that no national interpretive issue is fairly presented in the particulars evidenced in this case. We agreed that the question raised can be answered by applying National Arbitration Award No. H8T-4E-C 10343 issued on October 21, 1982, by Arbitrator Ganser to the fact circumstances involved.

Accordingly, as we further agreed, this case is hereby remanded to the parties at Step 3 for further processing, if necessary.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to remand this case.

Sincerely,
