Re：APWU－Local San Jose，CA 95125日8C－5日－C－13110

Dear ：Kr．Baldwin：
On Deceraber 16，1980，we met with you to discuss the above－captioned grievance at the fourth step of our contractual grievance procedure．

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration．

The question in this grievance is whether or not management violates Article VIII of the National igreement by voiding the Svertime Desired List as presently administered in this local office．The list for clerks was posted with columns for before tour，after tour，and non－scheduled days．This procedure was agreed to during local negotiations．iocal －anagement has now determined that the agreement is in direct senjilct with the National नेgresment．
：ie co not find the above procedure to be in＂cirect＂con三inct with the National Agreement and local management is directad to return to the negotiated grocedure by the beginning of the next quarter after receipt of this decision．He do not see any requiretnent for zenalty comcensation as employees are still offered opportunities for overtime by seniority．
We consider this grievance closed． Sincerely，

Roberit L．Eugéne
Labor Relations Department
