PROBATION EMPLOYEE
SCHEME EXAM

Re: H7C-3S-C 1387  
Class Action  
West Palm Beach, FL 33401

Dear Mr. Tunstall:

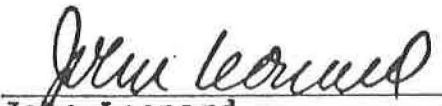

On November 2, 1989, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether non-probationary employees on a 30-day Notice of Removal for scheme failure are permitted to take their one-per-day scheme test on the clock.

During our discussion, we agreed to resolve this case based on our mutual understanding that scheme tests may be taken by non-probationary employees no more than once each scheduled workday during the period when termination procedures are in effect. This testing will be on a no-loss, no-gain basis.

Please sign and return the enclosed copy of this decision as your acknowledgment of agreement to resolve this case.

Sincerely,

  
John Leonard
