Dear Mr. Anderson:

On November 5, 1982, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

We mutually agreed that the local post office instructions at issue in this grievance, as presently written, appear to exceed the scope and intent of the management prerogatives contained in the National Agreement. Since the instructions were read and posted as policy in this local office, they shall be rescinded and appropriately revised by management, if to be reissued as instructions to employees.

We further agreed that the appropriateness of any revised instructions is not subject to this particular grievance and any discipline that may have occurred since the instructions were issued will have to stand the test of just cause.

Please sign and return the enclosed copy of this decision as your acknowledgment of agreement to resolve this case.
