Dear Mr. Romine:

On July 8, 1977, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

It was mutually agreed at Step 4 that when service needs make it necessary for a supervisor to interrupt a steward's investigation of a grievance, the supervisor shall advise the steward as to when he may resume his investigation. Under the circumstances, we consider the grievance closed.

Sincerely,

John Grant
