Dear Mr. Johnson:

On July 22, 1976, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

Although the steward's reporting time was changed one hour he still reports on Tour III and is still the steward. Under the circumstances, we find no violation of the National Agreement and the grievance is denied.

Sincerely,

  
James J. Facciola  
Labor Relations Department
